RE: 2019 Scholarship Applications & School Sponsorship

The Trudy McAlister Foundation (TMF) is honored to provide the ONLY non-profit scholarship program in the country to AOM schools and their students. With your support, we hope to increase the amount we give your students.

This will happen if two things are accomplished:

- 1 Every school increases its efforts in promoting this scholarship program to your students.
- 2 Your school becomes a sponsor of our AOM Scholarship program.

The deadline for getting us your top three student APPLICATIONS is JANUARY 15, 2019.

We are asking each school to make a small donation to our scholarship fund by becoming a 'School Sponsor'. Please consider building this in to your school's annual budget.

Student applicants who attend a school that supports our scholarship fund qualify to compete for a scholarship specifically earmarked for our top applicant from one of our School Sponsors. The amount of this scholarship will be based on the amount of money schools donate. Ideally, this will become our largest single scholarship that we provide to a student every year.

Additionally, we are seeking corporate sponsors. Golden Flower Herbs, for example, has been sponsoring an annual scholarship for several years. If you have relationships with any businesses that see the benefit of supporting AOM students, please help us connect with them.

Please share the application information with your student body, and let everyone know we look forward to receiving your school's top three applicants! Let your students know that you've become a AOM Scholarship Fund School Sponsor, qualifying them for the additional scholarship opportunity!

Please complete and submit the attached AOM Scholarship Fund School Sponsorship Form.

Thank you for making a commitment to help us support the future scholars of Acupuncture and Oriental Medicine.

In Gratitude,
